[Route from Nishi-Chiba Station to YAGAI Lab.]

Get off at JR Nishi-Chiba Station and go out of the ticket gate and take the exit on the left.
Walk along the rotary to the left, and you will see the South Gate of Chiba University.
Enter the South Gate and walk north on East Street until you see a large building on your left.
That is the Engineering Research Building 1.
The Yagai Lab. is located on the 5th floor of the building.
